SUMMARY

To pursue a career in leading corporate organization of high tech environment by exploring my potential fully, to be a part of the team and to apply well my analytical & logical skill & make a meaningful contribution toward the development of the organization I serve.

EDUCATION

Siksha 'O' Anusandhan University — Bhubaneswar (Odisha)
(2013-2017) B.TECH in Computer Science
Secured 7.7 C.G.P.A

XIIth (C.B.S.E) from Oxford Public School, Ranchi with 70.8% of marks in 2012

Xth (I.C.S.E) from Don Bosco Academy, Patna with 79.4% of marks in 2010.

PROJECTS

"Super Market Billing System" JUNE 2015 TO JULY 2015

This project aims at developing into software that can be used at places like Super Markets for easy calculation of the bills, taking order etc. Main advantage of this project is that it saves time, usage of paper and eliminates any calculation errors as it is fully automated system. Worked on coding part for the development of the application. Used C++ language for the development.

Platform : C/C++

Programming Language : C++

IDE tool : turbo C++

Database : dos box

Project Type : desktop Applicatio

SKILLS

- C
- C++
- Java
- Oracle
- SQL
- Knowledge of SDLC
- Knowledge of MS Office Tools

"Farmers Buddy"

JULY 2016 TO SEPTEMBER 2016

Farmers Buddy is a open discussion portal developed using Java programming language with Oracle as the system database. This project is useful for farmers and agricultural students to obtain information regarding various crops, the fertilizers usage for these crops, the soil condition in which these crops yield more, and the suitable climatic and environmental condition for these crops.

User requirements keep on changing as the system is being used, and in this regard, farmers buddy is very flexible. Being based on object-oriented design, new features and modules can be added in to the system in future

I had done the Backend part along with handling the database.

Software Requirements :

Operating System : Windows XP/2003 or Linux

User Interface : HTML, CSS

Client-side Scripting : JavaScript

Programming Language : Java

Web Applications : JDBC, Servlets

Database : Oracle 10g

Server Deployment : Tomcat 5.0

ACTIVITIES

Certification from Ranksheet on C, C++, Java
Through online test being conducted by Ranksheet
(which is an IT Portal)
Reached level 3 out of 4

Participant of Hour of Code for Tynker
Certification from Tynker on completion of The Hour Of
Code at Tynker website

Participant of Hour of Code for Code.org
Certification from code.org on completion of The Hour Of
Code at Code.org

ACHIEVEMENTS

Bagged 3rd prize in Quiz Competition

Organised by ITER College, Bhubaneswar

Won 3rd prize in Tech Quiz Competition held by I.T.E.R College, Bhubaneswar in association with S'O'A University.

Meritorious Excellence Student Certification

Awarder : SNEHA DHARA (NGO)

Certification from International Committee of the International Conference on Computational Modeling and Security (CMS 2016), for presentation of Technical Manuscript on Cloud Computing, Bangalore(India)
